

Geography learning journey – Fulbrook Middle School 2021-2022

YEAR
11

YEAR
10

YEAR
9

Global issues

- Impact of plastic
- Climate change and global warming
- Sustainable tourism
- Wilderness areas under threat
- Geographical conflict

World Cities

- Urbanisation
- Rural to urban migration - China
- Megacities
- Sustainable cities
- Mapping urbanisation
- Squatter settlements. Case study: Dharavi.
- China's one child policy

People of the UK

- Diverse population
- Measuring population
- Ageing population
- Migration to the UK & within the UK
- Cultural influences of Leicester
- Where people live and why? (urban & rural)

YEAR
8

Focus on Africa

- Mapping Africa
- Diversity in Africa
- Population
- The Sahara
- Focus on Kenya (country of contrast)
- Geographical skills (cross-sections)

Rivers and Flooding

- Water cycle
- Course of a river
- Fluvial processes – erosion, transportation, deposition
- Formation of river features/landforms
- Flooding in the UK and Bangladesh
- Cumbrian Flooding enquiry
- Field work – Willen lake

Our physical world

- Latitude and Longitude
- Underwater landforms
- Plate tectonics
- Study of volcanoes
- Earthquake case study: Nepal 2015
- Global weather & climate

YEAR
7

Weather and Climate

- Extreme Weather in the UK
- Recording the weather
- Forecasting the weather
- Rainfall
- Urban microclimates
- Climate graphs & thematic maps

Geography of the UK

- Intro to British Isles
- UK within Europe
- Fieldwork skills and data collection
- Physical geography of the UK – geology, weathering, limestone pavement, coasts, mountains

Geography skills

- Atlas map skills
- Further OS map skills (six figure grid referencing/ contour lines)
- Sketch mapping
- Fieldwork/data collection

Climate Zones

- Mapping climate zones
- Characteristics of climate zones
- Features of a rainforest
- Cause, effect and response to deforestation
- Climate challenge

YEAR
6

Physical Geography continued...

- Where does water come from?
- Rivers of the world
- Features of a river
- Basic river processes
- Flooding

Tectonic Activity

- Structure of the Earth
- Plate tectonics
- Features of a volcano
- Impacts/responses to earthquakes and volcanoes
- Geographical writing

Physical Geography

- Mountain ranges of the world
- UK mountains
- How mountains are formed
- Features of a mountain
- Mountain climates

Human Geography continued...

- History of Trade
- Imports and exports from the UK
- Links to El Salvador
- Fair Trade

Human Geography

- History of settlements
- Mapping settlements
- Land use modelling
- Local fieldwork study

Geography skills

- Baseline assessment
- Locate continents, oceans, UK cities and physical features.
- OS map skills (including basic fieldwork techniques)

Year
5
