

FULBROOK MIDDLE SCHOOL

DEVELOPMENT AND IMPROVEMENT PLAN 2016 - 2017

Key Priorities:

Key Priority 1:

Improve the quality of teaching, learning and assessment so that it is consistently good or better

Key Priority 2:

Develop a growth mindset amongst pupils, parents and staff

Key Priority 3:

Further develop our 'Assessment without Levels' system

Key Priority 4:

Fully involve pupils, parents, staff and all stakeholders in the development of the school

Key Priority 5:

Improve community links and school to school support

Permeating each of these key priorities is our aim to embed the Fulbrook Way, refining our policies and procedures, as well as the need to improve the impact all school leaders have, by clearly defining roles and extending the leadership team – SENDCo, Teaching and Learning Leaders, Behaviour for Learning Leader, Pastoral and Community Leader, champion for Pupil Premium and Most Able and a new team of Year Leaders.
