

FOLLOW THESE GUIDELINES TO PROPERLY WEAR YOUR FACE MASK

Wash your hands before and after touching the mask.

Touch only the bands or ties when putting on and taking off your mask.

Make sure the mask fits to cover your nose, mouth and chin. If you adjust the mask to cover those areas, wash your hands before and after.

Make sure you can breathe and talk comfortably through your mask.

Wash reusable masks after each use. If the mask is disposable, discard it when visibly soiled or damaged.
